

VITA

PHILLIP F. BONACICH

Personal Data

Born September 4, 1940, Napa, California
Married (1964) to Edna Miller
Two Children: Emma (born 1964) and Jane (born 1967)

Degrees

1962 B.A., Sociology, University of California, Berkeley
1966 M.A., Sociology, Harvard University
1968 Ph.D., Sociology, Harvard University

Research Experience

- 1968-70 Principal Investigator, "Overlapping Membership Relations between Groups," funded by Department of Health, Education and Welfare, Office of Education.
- 1969-73 Principal Investigator, "Group Conflict and Group Structure," funded by National Science Foundation.
- 1975-78 Principal Investigator, "Social Mechanisms for Achieving Cooperation," funded by National Science Foundation.
- 1976- Co-principal Investigator, "Postdoctoral Program of Advanced Training in Evaluation Research as Applied to Mental Health," funded by National Institute of Mental Health.
- 1978-82 Principal Investigator, "Family Coalition Structure and Children's Mental Health," funded by National Science Foundation.
- 1987-89 Principal Investigator, "Communication Networks and Collective Action," funded by National Science Foundation.
- 1991-92 Principal Investigator, "Game Theory and Exchange Networks - Dissertation Grant," funded by National Science Foundation
- 1992-94 Principal Investigator, "Game Theory Models of Exchange Networks," funded by National Science Foundation
- 1995-97 Principal Investigator, "Coalitions in Exchange

- Networks," funded by the National Science Foundation
- 1998-00 Co-Principal Investigator, "Research in Strategy and Structure," funded by the National Science Foundation

Academic Experience

- 1964-65 Teaching Fellow, Harvard University (Introductory Sociology).
- 1967-73 Acting Assistant Professor and Assistant Professor, University of California, Los Angeles.
- 1973-80 Associate Professor, University of California, Los Angeles.
- 1980- Professor, University of California, Los Angeles.
- 1982-86 Chair, Department of Sociology, University of California, Los Angeles

Professional Activities

Sociology Review Panel, National Science Foundation (1975-1977).

Associate Editor, Contemporary Sociology (1974-75), American Sociological Review (1975-77), American Journal of Sociology (1975-77, 1996-present).

Occasional reviewer for National Science Foundation, American Journal of Sociology, American Sociological Review, and other journals.

Editorial Board, Journal of Mathematical Sociology

Organizer, session on Mathematical Sociology, 1979 Meeting of American Sociological Association.

Organizer, session on Mathematical Sociology, 1980 Meeting of the Pacific Sociological Association.

Organizer, Session on Centrality, 1986 Sunbelt Network Conference.

Organizer, 1992 Sunbelt Social Network Conference, San Diego, CA, February, 1992

Organizer, West Coast Conference on Small Group Research, Los Angeles, May, 1993

Organizer, Conference on Theory and Research on Group Processes Los Angeles, August, 1994

Council Member, ASA Social Psychology Section, 1996-1999

Board of Directors, International Network for Social Network Analysis, 1996-

Membership Chair, Mathematical Sociology Section, American Sociological Association, 1995-1996

Didactic seminar (with Elisa Bienenstock), "Game Theory in Sociology." Annual meeting of American Sociological Association, Toronto, Aug. 1997

Chair, Mathematical Sociology Section, American Sociological Association, 1997-98

Secretary-Treasurer, Rational Choice Section, American Sociological Association, 1997-2000

Chair, Rational Choice Section, American Sociological Association, 2000-2001

Chair-elect, Social Psychology Section, American Sociological
Association, 2000-2001.
